Dear Sir:

This application is a 371 of International Application No. PCT/US00/04140, filed February 16, 2000. In the April 21, 2005 telephone conversation between Examiner Gollamudi S. Kishore and Dianna Goldenson, the Examiner stated that an unrelated International Application (No. PCT/US97/17640) was stamped as received by the PTO on July 24, 2001 and placed in the PTO file for the present application. According to the Examiner, the PCT/US00/04140 specification is not in the PTO file and has not been examined.

A complete copy of PCT/US00/04140 (published as International Publication No. WO 00/48572) is submitted herewith. Applicants respectfully request that PCT/US00/04140 be electronically scanned and included in the PTO file wrapper for U.S. Application Serial No. 09/890,006.

Dated: April 21, 2005

Respectfully submitted,
